The Palace, Bangalore,

16th August 1912.

My dear Sir,

I am directed to write to you on the subject of the appointment of an Indian Officer with the status and pay of an Assistant Commissioner as Personal Assistant to the Yuvaraja of Mysore. An appointment of this nature is an urgent necessity and His Highness will be obliged if you will kindly submit proposals for making it at an early date. The officer whom His Highness has selected for the appointment is Mr.Singracher. The salary of the post may be fixed at Rs.250/- with the status and Travelling allowances of an Assistant Commissioner.

As regards Budget provision to meet the salary and allowances of the appointment I am to state that His Highness, when sanctioning the recent revision of appointments in the various departments under the Military Secretary, always contemplated the probable necessity for making some such appointment as the one now under discussion. It may fairly be claimed that Mr.Donne's retirement and Mr.Tate's death have resulted an appreciable savings under the Government House Budget and Col.Jones' approaching departure on furlough will provide ample savings from which to meet the cost of the new appointment, during the current year.

Yours sincerely,

(1) In the order of 4th April 1905 which is the only one put up Mr Singachar is appointed "Assistant Tutor to the Yuvaraja." Is his designation still the same? If not* the later orders may be traced and

* The draft order styles him "Special Officer on duty with H.H. the Yuvaraja". This indicates that there are some later orders.

(2) From what source has his pay been met since 1905? To what establishment does he belong and what is the sanctioned appt^t in such establishment which he holds?

(3) The present proposal is to appoint an Indian officer with the status and pay of an Assistant Commr. as Personal Assistant to the Yuvaraja of Mysore. This seems to contemplate such an officer being attached to H. H. the Yuvaraja irrespective of any state duties which he may be pleased to undertake at any time. But from para 2 of Mr Campbell's D.O. of 16th August 1912 it appears that the proposed appt^t of Mr Singrachar has special reference to H. H. the Yuvaraja's taking charge of the departments under the Military Secy It is perhaps desirable to state more clearly what is intended.

(4) It may perhaps be pointed out that the designation "Personal Assistant to the Yuvaraja of Mysore" is not quite happy. The term "Personal Assistant" is generally used in connection with State appointments such as P. A. to D.G.P, P.A. to Ex. Commr. &c. For a high title like the Yuvaraj of Mysore which is not the designation of any appt^t "Private Secy" is more appropriate than "Personal Assistant". The arrangements which would fit in best with the present circumstances seem to be as follow: Mr Singrachar to be designated

Private Secy to H. H. the Yuvaraja or Special officer on duty with H. H. the Yuvaraja as at present. When the Yuvaraja undertakes the duties of any appointment e.g. that of Military Secy, Mr S. may be appointed Personal Assistant in respect of that appt, ex-officio with an allowance. This arrangement would possess the elasticity which perhaps it is desirable to retain in such cases.

(5) The question of incidence of pay as Private Secy and allowance as Personal Assistant will be further discussed after information referred to in (1) & (2) above is furnished by Asst Secy Fin.

The Asst Secy has since put up G.O. of 10.3.08. In this order Mr Srinivachari's designation was changed to "Special officer on duty with the Yuvaraja" and he was also included in the Private Secy's establishment. Both as Asst Inter and as Special officer his pay has been met out of State funds upto this time.

In my respectful opinion the most correct course financially would be to adopt an elastic plan as suggested at A above and to charge pay as Private Secy to H. H. the Yuvaraja's personal Estate

and allowance as Personal Assistant to the Military Secy to the State. The pay may be fixed for the present at Rs. 150/- pm. and the allowance at Rs. 100/- the result being practically the same as contemplated in the draft order put up.

My dear Sir,

With reference to your D.O. letter No. 7-7-3 16th Aug. 1912 in regard to the appointment of an Indian officer as Personal Asst. to the Yuvaraja, the matter was referred to the Financial Secretary as the proposed appointment involves the creation of a new appointment.

2. I submit for H.H's orders, the Financial Secretary's note that Mr. Srigrachar may be designated as Private Secy to H.H the Yuvaraja, that the pay of the incumbent may be debited to the Yuvaraja's Estate and that the allowances to be paid for helping the Yuvaraja on the Govt Side may

My dear Sir,

I am directed to reply to your D.O.letter No. 808 dated 9-9-12 and to say that His Highness sees no reason why the whole of Mr.Singrachar's salary should not be paid by Government as his services are required by the Yuvaraja solely on account of the work of Military Secretary which he has now taken up. Nor does His Highness see any particular force in the Comptroller's objection to the designation "Personal Assistant". I am to ask that Mr. Singrachar's appointment may be gazetted as soon as possible.
